Welcome home to your forever dream home! It hasn't been featured on HGTV, but it should! This 'barndominium' style home is newly built in 2018, it features an open floorplan with all 3 bedrooms on the primary level. The second level boasts a large open loft flex space. There is luxury wood vinyl plank flooring throughout the primary level and an open gourmet kitchen with cabinets and floating shelves for storage. A grand 2 story masonry wood burning fireplace is the focus of your large open family room and oversized windows let in the natural light - and your private view of your 6+ acres! The oversized mudroom is an HGTV dream and extra wide doors open up to each of the rooms. You can get lost in the gorgeous bathrooms - and you may want to use them as the perfect spa like escape. On your 6+ acres, you can find privacy, peace and your very own pond complete with a working windmill. Keeping your property taxes low are the honeybees on the property that provide you with an agricultural exemption. You may never want to leave your own personal paradise, but if you do, Fall Creek Winery and the famous Salt Lick BBQ are within just a mile of your home! The new Driftwood Ranch and Golf Club is a stones throw away! Not within any city limits. Super low tax rate of 1.96!! Ask the Sellers Agent about seller paid concessions/program options!
