RESIDENTIAL - SINGLE FAMILY, 5 BEDS, 4 FULL BATH(S)

Sophisticated and innovative, the Tennyson is an epic floor plan designed to meet your needs. Adults looking for refuge are sure to find it in the elegant primary suite. The bedroom is large enough to create a comfortable book nook but there's no time to read when dinner needs to be prepped. Luckily, your gourmet kitchen is well-equipped to turn out a five-course meal. Decant your favorite vintage to serve on the large, covered patio. Invite your work buddies into your private office for after-dinner brandies or upstairs for coffee in the game room. The kids would say hi but you sent them to grandma's so you and your spouse could enjoy a romantic evening when the guests are gone!
